

Hit the Mark with This New COLT® Inspired Precision Writing Instrument

Introducing the Ammo Pen: a new collector's quality pen designed for hunters, gun collectors, and wildlife enthusiasts. The Ammo Pen is made from actual .308 casings and bears the legendary Colt name.

(PRWEB) December 17, 2005 -- Ready. Aim. Write. Introducing the Ammo™ pen a precision writing instrument any marksman would be pleased to own. This expertly crafted, high quality, nickel-plated pen, created by a top Boston jewelry designer, bears the legendary Colt name etched prominently above the clip (lettering in your choice of Gun Handle Brown or Gun Smoke White); a true mark of distinction.

The heavy-duty barrel, manufactured using actual .308 casings is hand loaded with a well-constructed inner mechanism. Though the sturdy design of the Ammo™ pen will withstand many years of use, this unique collector's quality pen is presented in a beautiful rosewood box where it can be protected, preserved, and treasured for a lifetime.

The Ammo™ pen is the perfect gift for the hunter or gun collector who has everything. While most gifts miss completely, you're sure to hit the mark with this exclusive one-of-a-kind accessory. From the Ammo™ Collection designed by Hunter's Jewels, LLC.
